
Overnight Adventure

New Dates

Spending the night on this tall ship is something you will never forget and something you need to do at least once.

As seen on

'The Great Outdoors'

Have you ever imagined steering a tall ship by only the stars? Climbing the rigging in the early morning light to loose the tops! Having a big hearty breakfast whilst anchored in a still cove?

Enterprize has a number of sailing adventures for 2010/2011 that will allow you to take part in all these activities and more. An Overnight Adventure sail departs from Williamstown on a Friday evening and for the following 24 hours you will be immersed in all aspects of sailing an 1800's tall ship.

Enterprize is one of the most accurate tall ship replicas in the Southern Hemisphere today and her volunteer crew takes pride in handling her in that same traditional way.

Whether you are an experienced yachts-man or a tall ship enthusiast an Overnight Adventure is a great way to experience a past age. All meals are included and guest crew sleep in bunk style accommodation in our main saloon. You are also welcome to bring along a bottle of wine for dinner if you so desire. (And your charger for that camera!).

Enterprize actively encourages people to get involved and this includes climbing the rigging, steering the ship and helping with the navigation. Enjoy an Overnight Adventure sail this season. Perfect as a gift for those who love the water and tall ships - they will have a unique experience aboard Melbourne's Tall Ship.
