

Sailing Locations

With an objective of "giving people of all ages the opportunity to experience life on board a nineteenth century sailing ship", Enterprize sails from a number of different locations during the course of a sailing season.

Our home port is Boyd Jetty in Williamstown. Regular sails from this jetty and the nearby Gem Pier occur each month.

The Enterprize also visits Geelong on a regular basis -- generally, the first weekend of each month -- and again conducts sails over the course of the weekend.

Other regular sailing locations around Port Phillip Bay include the new Docklands area of Melbourne, Portarlington, and Rye (during the summer season).

These locations can all be viewed by [clicking here](#).

Full details of all upcoming sails can be found on the [Sailing Schedule](#) section of this website.

Enterprize also undertakes a number of ocean voyages to ports east and west in Victoria each year (eg Port Welshpool, Portland). Forthcoming voyages are highlighted on the home page of this Enterprize website.
